FROM THE MAILBOX.....

Dear Members of the Congregation,
Thanks so very much for all the prayers, cards, and telephone calls that I received during my recent illness. It is such a blessing to have a church family that is so kind and loving. I am truly feeling much better now and I will resume chemo treatments every three weeks. Please continue to pray for me that I should be strong enough to endure the upcoming days ahead.
Love in Christ, Ruby Orr

Dear Women of the Church,
Thank you so much for the wonderful cookies you sent me for Valentine's Day. I miss you all so much and hope to see you soon. Your thoughtfulness is greatly appreciated. Please continue to keep me in your prayers.
Love, Taylor Roof

Dear Fellow Members of the Chester ARP Church,
I have been encouraged by your constant communication with me during my sadness over the death of my daughter Rita. She was and is a blessing and an inspiration to so many people. I glory in the fact that although her life was too short, she lived it to the fullest and enjoyed each day as she reached out to others. Whenever she was complimented on a task well done she always said, "It was accomplished by team work. I am a team worker." I miss being able to attend church but I always listen to the service over the radio and read the Chatter, so I still feel a part of the church. Thank you again for your many kindnesses to me and my family.

Sincerely, Harriet H. Stringfellow
